## Tourism Sustainability Grant Program

State of Washington Tourism (SWT) is committed to the full recovery of the tourism sector in the wake of the coronavirus pandemic, and it has prioritized industry segments within the sector to hasten and maximize recovery efforts. As tourism continues to rebound toward pre-pandemic levels, the Tourism Sustainability Grant program will foster safer, more inclusive, and sustainable visitor experiences in the State of Washington.

Washington-based tourism stakeholders may request up to \$30,000 in grant funding based on project eligibility. They must submit a complete and thorough application with details on project objectives, longevity, and budget. If awarded grant funding, the grantee must submit all contracts/contractors involved with each project to SWT for review and approval. The total funding available for the Tourism Sustainability Grant program is \$200,000.

Though not required for this grant, applicants are strongly encouraged to match a portion of their grant request with cash or in-kind contributions. Grant funds from SWT should not pay for staff salaries, debt, or interest payments associated with eligible projects. Applicants are also strongly encouraged to collaborate with local destination marketing organizations and other tourism-related partners on eligible projects.

SWT will accept applications for the Tourism Sustainability Grant between August 15 – September 15, 2022. A review committee of industry experts will evaluate the leading grant applications and SWT will announce award decisions by September 30 via email. Grant funds must be expended by August 1, 2023.

SWT will release grant funds as a lump sum to awardees upon approval of their grant applications. Awardees will be expected to submit a project evaluation by October 1, 2023. If awardees fail to submit an evaluation, their consideration for future grants may be adversely affected. Each project evaluation should include a final budget, proof of spending, photos, and a written account of how grant funds were used and their impact on travel and tourism.

The grantee must acknowledge the Tourism Sustainability Grant program and include the SWT logo in material associated with the grant project. SWT must also review and approve this material.

## **Award Decision**

Industry partners may apply for the Tourism Sustainability Grant between August 15 – September 15, 2022. No applications or materials will be accepted after the deadline. Award decisions will be announced by September 30 via email. A committee of industry experts will review applications and award grant funds on the following criteria:

- Demonstrates an immediate need for the project
- Demonstrates the ability to complete the project in a timely manner (expend grant funds by August 1, 2023)
- Preference is given to projects that ensure accessibility and inclusion of all visitors, including under-represented communities
- Preference is given to applications that match a portion of their grant request with cash or in-kind contributions
- Preference is given to projects with construction permits already secured (if needed)

State of Washington Tourism reserves the right to award grants in amounts totaling less than all funds that are available under the Tourism Sustainability Grant program, to award a different amount than is requested in a grant application, to make changes to the grant criteria or to cancel the Tourism Sustainability Grant program in its entirety.
